Letter from Cllr J E Reynolds

Sept 21st 1994

Bar Hill Says No To Local Government Reform

The People Who Pay Have Now Had Their Say

Yes its true, the people who pay have now had their say on the Local Government Commissions report, they have given the thumbs down to reorganisation. Figures produced from letters and survey forms, completed by Bar Hill residents over the last two months and received by the Commission in its public consultation period, clearly show 52 % wanted no change in Cambridgeshire, but 27% voted for the County to be divided into two new Unitary or Single Tier Councils [the County Council's choice]. This would amalgamate South and East Cambridgeshire District Councils and Cambridge City Council, 11% voted for the County to be divided into three Councils, this suggestion also amalgamates South and East Cambridgeshire and Cambridge City. Only 5% wanted South Cambridgeshire to join with Fenland, 5% supported other solutions. Across the county over 27,000 people, just over 5% of the population expressed their views, but in Bar Hill this figure was nearly 6%.

So what next ! , the Mori opinion polling organisation by been requested by Commission to detailed survey of nearly 2000 Cambridgeshire residents to further market test opinion. The Commission will be announcing its recommendations for Cambridgeshire some time in late October. Their report will be presented to the Secretary of State at the Department of the Environment for consideration and approval, but there will be a further six week period, when any one can challenge the report, simply by submitting their views direct to the Government. The Secretary of State having considered all the information, could refer the report back to the Commission, [as he has done for some other counties] requesting them to reconsider their recommendation, or he could present it for approval and implementation by Parliament. We are unlikely to know the answers to these questions until February 1995, so watch this space.

John Reynolds is the local Bar Hill County Councillor and Deputy Leader of the Conservative Group on Cambridgeshire County Council.

Bar Hill Sports and Social Club

Membership renewals are now due!!

As I mentioned last month, it is time to renew your memberships, or indeed sign up for the first time. Membership is currently at £3 per adult. This will rise to £5 on 1st November 1994, so please join now and save yourself some money! Senior Membership is £1. We have over 300 members already joined!!

Apparently summer is now officially over. The cricket club has packed away bats, pads, etc., and celebrated another successful season with champagne aplenty. This means it is time for the footballers to come out of the woodwork and start their season's campaign. It is good to see so many supporters out there watching on Sunday morning and of course in the Social Club afterwards.

Unfortunately, due to matters beyond our control, the replacement roofing is still some way off. In conjunction with the Village Hall Management Committee we are pressing for this work to be completed before the bad weather really hits us. **On the entertainment front**, following our two trips to Chessington Theme Park plans are already being drawn up for next year's trip, possibly to the "American Theme Park" in Derbyshire. The Football Club ran a successful "Race Night" on 24th September and although no-one managed to win (or lose) a million, plenty of "fun punting" was had by all.

On the music scene we have:-

7 October Dual Control

Can I also take a few lines to remind you of our now regular **quiz**, held on the first Monday of each month starting at 8.30 pm. All you need is a team of four (£1 per player). The questions are all general knowledge (five rounds of 20 questions) with the winning team being given a chance to go forward to a more serious quiz (written answers) with a chance of winning a first prize of £1,000!! It's not easy but surely worth a chance, so if you fancy your chances to win some money for your Sports Club or just for yourselves, why not come along if only for a social evening out. Please note all competitors must be members of the Social Club or Bona Fide guests.

Further to last month's request for **part-time door stewards**, I am pleased to report successfully finding one person to take on the task. Peter Stevens has kindly volunteered his services and will shortly be greeting you all on arrival with a smile and a

request to see the "green card" so now all I need is a second volunteer - if you are interested please contact Lesley 780360 for further information. It seems incredible to start talking of Christmas, but everything seems to get booked up earlier and earlier, so in an attempt to avoid disappointment and double bookings here is advance notice of our festivities:

Date tba	Childrens' Pantomime Party
16 December	Christmas Raffle
31 December	New Year's Party with "Hot Property"

At our last committee meeting the Club agreed to donate £50 towards the cost of the Playgroup's new fencing for their external play area, £25 to the Comets Netball Club and a further £25 for a wreath for the Remembrance Day Poppy Appeal by the Royal British Legion.

Squash

Did you know that there are excellent squash facilities right here in the village at the Cambs Moat House Hotel Squash Club? We have a regular friendly club night on Mondays, fun tournaments at various times during the year, a popular junior section, a serious tournament in the spring of each year and enter two teams in the Cambs League. Why not give us a try - we have members of all abilities and would be keen to see some more. Less than £1 a week secures membership - currently £51.50 a year.

All the sweat and weight you lose during the game can be instantly replaced in the Sportsmans Bar adjacent to the Squash courts. If you would like to know more please contact Martin Wright 781966 or Jim or Lesley Turney 780739

The 1994 Junior Club Tennis

Tournament

We have seen an increase in membership this year, with over 50 players turning up for tennis lessons every week in rain or shine. Our club operates four groups with three levels of play. It has been very gratifying to the coach to see keen faces each session and play has improved consistently during the year. We have some excellent junior players who would certainly give adult players some fierce competition.

The Tennis Tournament, held on the 18 & 20 August, was a very nice way to round off the season. The standard of play was high and good sportsmanship was shown in every match. Twenty two players entered and the final rounds were very closely contested and well worth watching.

Congratulations go to the winners - Christopherr Brock, David Grant, John Firman and Clare Impey and to runners-up - Mark Small, Sam Haddadi, Daniel Allison and joint runners-up in the beginners group - Dominic Benatar and Robert Firman.

The 1994 season has now closed and 1995 season will start in April. Thanks to all of you junior players for making tennis such a popular sport in Bar Hill. We look forward to seeing you all in the new year.

Happy Hours Bar Hill Senior Citizens club

Some months I find it is difficult to know what to say, and this just happens to be one of those months!, so the following can aptly describe my feelings: -

"God grant me the serenity to accept the things I cannot change, courage to change the things I can, and wisdom to know the difference."

What we have had since the last issue has been the incessant rain; in fact over 50 years' records have been broken in terms of inches of rainfall recorded. At least it will bring some joy to our village nature reserve warden, Nick Richardson, who has prayed for this deluge to keep up the pond levels. Whilst on the subject of ponds, streams, etc, Nick, several people in recent times have ventured the question of why the village cannot have a brook or pond with fish. As a suggestion, there is an area adjacent to the allotments which I believe is a natural drainage site, and no doubt volunteers could be found to provide such an amenable secluded area. Benches, trees and a lot of hard work will meet this end - and don't forget a life-belt to fish out the bigger tiddlers that could possibly fall in!

Competitions

The 1994 competitions for darts, cribbage, dominoes, scrabble etc have now reached their conclusion and our Sid, who has organized this, very successfully I might add, apart from a few minor hiccups, will be making a presentation of plaques to all the worthy winners on Monday 3rd October. Our congratulations to them all, our thanks to all those who participated, and especially our sincerest thanks to Sid who contributes so much to make our club so worthwhile. What would we do without him?

Outings

Unfortunately our trip to Clacton-on-sea was a little damp, but nevertheless very enjoyable. The trip in itself, and the company, ensure that come what may we will enjoy ourselves. Again, thanks Sid and Ruby for all your endeavours.

Sick List

Nothing to report of anyone more than usually under the weather. Our attendance on Monday was 74, an indication that everyone who can get to the Octagon does! Our resolute committee man, Jim Platts, went into hospital for a hernia operation on the Monday and was discharged on the Wednesday of the same week. Now I am not too sure whether this was his second or third hernia operation; if it was his third then we stand as equals. I believe Joan was relieved that it was only a

hernia rather than Jim's visit to the bowling green. We have constantly warned Jim not to be too excited when he keeps winning, not to lift Joan too high - or for that matter the grandchildren.

There's a limit to what can be cut out!! Get well Jim, but no lifting yet and definitely no bowls.

Our next big event is the **Birthday Party**, which will be our fifth, on the 14th November. Entertainment has already been arranged.

Jimmy James
Secretary 781124

Royal British Legion

The Annual General Meeting will be on Thursday 20th October at 7.30 pm in the Farmhouse. In addition to the election of officers we will be discussing the Poppy

Appeal and future activities. Please make every effort to attend.

The Poppy Appeal Dance will be held in the school hall on Saturday 22nd October. Full details are shown on the separate advert in this issue. If you intend to come, please make an early application for tickets to avoid disappointment, as we do have to limit the numbers.

For our Poppy Appeal collections at Tesco we will need volunteers for the period 7 - 13th November. Last year we had a wonderful response to our appeal and we feel we can count on your support again.

Two of our members, Cathy and Bill Fraser, won the Cambs RBL Mixed Bowls trophy for the second consecutive time. Well done!

Letters to the Editor

(Opinions expressed in this publication are not necessarily those of the BHRA. Alternative view points are always welcome.)

Calling Bar Hill Cyclists.

Where do you cycle? Do you ever leave Bar Hill on your cycle? Dare you use the A14?

I consider it too dangerous for cyclists. This was true when it was the A604; now that it has become the A14 and is carrying the extra traffic from the M1 and M6, particularly large lorries to the east coast, the road is more dangerous.

There is an alternative, the track between Bar Hill and Dry Drayton. It is a bridleway, therefore cyclists do have a right of way. Unfortunately in wet weather the track becomes very muddy and unusable. When the track dries out it becomes very rough where it has been cut up when wet.

If this bridleway had an all-weather cycle track, I am sure that many Bar Hill residents would consider cycling out of the village. It is a quiet alternative route to Cambridge. The distance from Bar Hill village Green to Cambridge market square is almost exactly the same via Dry Drayton, Madingley and picking up the cycle path on the A 1303 into Cambridge, as it is along the A14. The track to Dry Drayton would also give access to other secondary road routes such as to Coton and Grantchester or Hardwick and Toft.

This route is being considered by the local councils; it stands a better chance of being established if it has strong local support. I am writing this letter to urge anyone who would like to see an all-weather cycle track to Dry Drayton to make their views known to the Parish Council and your County Councillor, Mr. John Reynolds.

Swavesey Village College

GCSE Examination results 1994

For the third year running, since their introduction in 1992, Swavesey Village College students appeared near the very top of both the County's and the National comprehensive schools' GCSE 'League tables'.

Ninety-four of our 145 Year 11 students achieved 5 or more higher grade (A-C) passes. At 64.8% of the year group, this represents an outstanding achievement. Forty-nine students passed all nine subjects at grades A - C and the number of A grade passes, at 23.6%, was 10% above the National average.

Achievements in English, Mathematics and Science were particularly strong and the results in Music, Art and German were outstanding.

This year's record results are a glowing tribute to the quality of teaching and learning at the college. They are, too, the product of a caring school which places great emphasis on motivating all of its pupils to succeed at the highest possible levels in every aspect of their life and work.

Were you a Barton Guide? We are planning a 40th birthday party for the company on 29th October 1994 and are therefore trying to contact all former members and guiders. Barton guides has drawn members from many villages in the area and so former members may not have actually lived in Barton!! If you were a member of the company and have not yet received your invitation then please contact us. Alternatively, perhaps you can help us contact other former members.

BAR HILL PARISH COUNCIL

The monthly meeting of the Parish Council was held on Thursday 15 September, 7.30pm.

Cycleway: Bar Hill/Dry Drayton

The Parish Clerk of Dry Drayton is expected to reply shortly regarding the possibility of a meeting between the 2 Parish Councils to discuss the present feelings on this cycleway.

Drainage of Village Green

Certain investigative work has been undertaken, uncovering culverts which, when cleared, it is hoped will improve drainage at the bottom end of the Green. The Land Consultant will be called in again to advise on how best to proceed on this project.

Consent Street Order

It was agreed that the Parish Council would apply for a Consent Street Order to be imposed on the whole of Bar Hill. This would mean that the Parish Council's permission would be required for a hawker to trade on the Village.

Bin Emptying/Litter Collection

The Councillors noted the efficiency of the District Council workmen at bin emptying and agreed that they should be asked to continue this throughout the winter. In addition to the bin emptying they will be asked to "litter pick" on a fortnightly basis.

Cycling in Bar Hill

There have been complaints regarding cyclists on footpaths in the Village travelling too fast, especially on "blind" bends and approaching footpath junctions. The Parish Councillors would ask that all cyclists who may be guilty of this, take a little more care and have consideration for other footpath users.

Roof Repairs - Village Hall

It was agreed that £6,000 should be given to the Village Hall Management Committee towards the cost

of roof alteration/repair.

Parking in Otter Close

Cllr. P. Lilloyd will be carrying out a survey on Otter Close to try and establish the actual cause of the parking problem in that area.

Bar Hill Nature Reserve

Hi again, This seems to be the season of the orphans, especially young birds and baby hedgehogs. Late litters may produce autumn orphans, so if you know of "hogs" in your area please put out some dog food on a plate for them, now winter is nearly here.

October sees them constructing their winter nests and trying to put on as much fat as possible, the reason some are seen foraging in the daytime; not only must they eat to survive from day to day, but also put on a fat supply for their winter (they should weigh at least 1lb or 450 gm). Any "hog" which doesn't weigh this is virtually condemned to death.

If anybody would like them, I have information sheets about "hogs"..... 50p.

Just recently, I moved a lot of my wood from my garage (it's meant to be for the car, not a timber yard) to the council lock-up. Included in this move were some boxes I had already made bat, tit and an owl box, not in themselves worth a lot of money, but worth a lot in the time taken to make and waterproof them well just recently we had the village "lads", under adult supervision, working there to tidy up the area.

At some time in the morning they had to be in the lock-up to get the tools required for the work; well sometime during that day my owl box was squashed flat and covered in dusty footprints. The boy who I was told "did it" actually said "I fell backwards and sat on it and it broke". How does that account for the fact that it was covered in dusty footprints?

Over at the reserve, the dragonflies are looking as magnificent as ever and making the most of their short lives (egg laying for future generations). House martins are still fling above the village and some nests still have young in them. The newts and newtlets will soon be leaving and looking for a winter residence. There was a fantastic show of blackberries, rosehips and haws in the hedgerow.... food for mammals and birds over the coming months.

*The water running over the green covered rocks
Is a sound of joy to the ear, Many's an hour, I sit
by the stream*

In the summer months of the year.

*The peace and calm next to the water
Watching debris float by on the stream
There's a feeling of sleepiness creeping over you
From an afternoon spent in a dream.*
